The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
1036 Longworth House Office Building
Washington, DC 20515

Dear Chairwoman Granger and Ranking Member DeLauro,

I am requesting funding for the Mountain People's Health Councils, Inc for a diagnostic center in fiscal year 2024.

The entity to receive funding for this project is the Mountain People's Health Councils, Inc. located at 470 Industrial Lane, Oneida, Tennessee 37841.

The funding would be used to provide access to diagnostic services to individuals who currently have to travel outside the county to receive them.

The project is an appropriate use of taxpayer funds because it would be used to provide MRI, mammography, bone density testing, ultrasound, and general x-ray services.

The project has a federal nexus because the funding provided is for purposes authorized by Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

John Rose
Member of Congress
